

Melia and Jo

By Billy Aronson & Jennifer Oxley

HAVE
FUN!

Discuss

Talk through your thoughts.

- After reading, go back and look closely at the illustrations. What are some of the different types of materials the girls use for their creations?
- Discuss the different meanings of the STEAM words on pg. 37. What words describe you?

Create

Make an experience of your own.

- With the permission of a parent or guardian, find some materials you can use to make your own creation. How can your creation be useful in solving a problem?
- In the back of the book are directions to make an airplane. With the help of a parent or guardian, follow the directions to create your own airplane.

Imagine

Use your imagination to explore.

- Imagine you are playing with a friend who has different interests than you. How would you work together to make a creation?
- Think of some friends who could help you make a creation. What are some strengths your friends have that would be helpful?
