

Digger and Daisy Go to the City

HAVE FUN!

By Judy Young

Discuss

Talk through your thoughts.

- Have you ever been to a big city or busy place where you had to stay close to an adult? Talk about it with a friend.
- Have you ever had a hard time compromising or sharing with someone when you wanted to do different things? What happened?

Create

Make an experience of your own.

- Make a list of possible ways to compromise with someone when you are having a hard time sharing something.
- Play a game of hide-and-seek with a friend or family member at home or outside!

Imagine

Use your imagination to explore.

- Imagine you are going into a big city. Draw a picture of an activity you would want to do.
- Use your imagination and write a story or comic about a time you and a friend had to share something.

Imaginando

Discutiendo. Creando. Explorando.

- ¿Alguna vez has estado en una gran ciudad o lugar ocupado donde tenías que estar cerca de un adulto? Habla de eso con un amigo.
- ¿Alguna vez te costó comprometerse o compartir algo con alguien cuando querías hacer cosas diferentes? ¿Qué pasó?
- Haga una lista de posibles maneras de comprometerse con alguien cuando tengas dificultades para compartir algo.
- ¡Juega a las escondidas con un amigo o familiar en casa o afuera!
- Imagina que estás yendo a una gran ciudad. Haz un dibujo de una actividad que te gustaría hacer.
- Usa tu imaginación y escribe una historia o un cómic sobre el momento en que tú o un amigo tuvieron que compartir algo.
